

3 POINT CONVERSION ADAPTER

This 3 Point Conversion Adapter allows you to use your 3 point farm tractor attachments on your skid steer style universal mount. Great for moving or using farm implements that don't require PTO. Available to fit Category 1 or 2 hitches.

FEATURES INCLUDE

- Allows for quick hookup
- Strong adapter welded to a square tubular frame
- Adjustable upper hook for a perfect connection
- Powder-coated and Made in the USA
- Locking levers for an easy secure attach!
