

BRUSH CUTTER DUAL SPINDLE MOTOR

The Blue Diamond® Dual Motor Brush Cutter is in a class of its own! Featuring a new floating deck design, this cutter can cover the uneven ground with ease. The front wheels are adjustable to meet whatever cut height you need. It leaves a very neat finish when mowing grass, and can also cut up to 3" material in the brush.

FEATURES INCLUDE

- 84" cutting width
- Adjustable height wheels
- Floating deck design for uneven ground
- Grease fittings on all pivots
- 4 double sided blades
- Rated for 15-22 GPM
- Cuts 3" material
- 1 year warranty
