

HEAVY DUTY TURKEY LITTER BUCKET

The Blue Diamond® Turkey Litter bucket allows you to move large volumes of light material in one scoop. These large capacity buckets were originally designed to clean out turkey farms, but also work great for sawdust, corn, or other light materials.

FEATURES INCLUDE

- 40" high back
- 42" deep front to back
- Reinforced back and floor
- Pre-drilled for bolt-on edge option
- 1/4" wrap thickness
