

ROCK BUCKET GRAPPLE STANDARD & HEAVY DUTY

The Blue Diamond® Grapple Rock Bucket is an extremely versatile attachment. Pick up rocks, clean up job-sites, clear brush, dress yards, carry logs and firewood are just a few of the jobs this attachment is capable of. This multi-purpose tool is offered in 3 configurations for various sizes of machines. The rock bucket with no grapples, standard duty rock bucket with grapples, and the heavy duty rock bucket with grapples.
